Father's Day with...

KEVIN & BRIT

While **Kevin Federline** was being awarded "Father of the Year" (even he said he was "surprised") during a bash at Privé inside Planet Hollywood in Las Vegas

Day with her dad, **Jamie**. Federline sipped water (he switched to Jack Daniel's at 3 a.m., when he was given his award—in the club's kitchen!) June 13 with an entourage of 25 that included his divorce lawyer. Spears enjoyed a more mellow evening of dinner at Palm Nove Italiano and a visit to the white tigers at Siegfried & Roy's Secret Garden. "Britney seemed really relaxed," says an onlooker. "She looked pretty good."

JUNE 13
Spears (by the Palms Place pool) "was laid-back," says a source.
